

Junior Academy for 3-6 year olds! April-June, 2012

About the Program

SCA Junior Academy is the perfect introduction into soccer and group play for children 3-6 years old. It will help your child to build a great athletic foundation and it will also teach them the importance of teamwork and individual improvement in a non-competitive atmosphere.

SCA Junior Academy provides a chance for your child to learn about the game of soccer, improve as a player, meet new friends and most of all have a lot of FUN! The program is directed by Renee Ziemer, the founder of Kinder Kickz Soccer Program www.kinderkickz.com.

The focus of **SCA Junior Academy** will be on developing soccer skills (dribbling, passing, trapping, kicking and juggling) through a series of fun games and small-sided games specially designed for children 3-6 year olds. **SCA Junior Academy** uses soccer as a vehicle to develop and educate young children about the benefits of an active and healthy lifestyle. The curriculum focuses on improving motor, social and soccer skills in a fun and positive environment.

Renee Ziemer, who founded **SCA Jr Academy** and **Kinder Kickz Soccer** after 20 years of coaching and directing a variety of programs, is excited to be joined by Elena Abrams who have a combined 40 years of coaching in the area. Their passion, enthusiasm and knowledge of both coaching soccer and working with young children make **SCA Jr Academy** coaching staff the most qualified and experienced staff in the North Bay.
