

SPRING & SUMMER SMALL SIDED INSTRUCTIONAL SOCCER LEAGUE Santa Rosa

new

The goal of the instructional league is to provide an exciting and fun environment for children to enjoy soccer and learn the basic skills of the game. Each session will be 75 minutes and will consist of 20-30 minutes of instruction from our highly qualified coaching staff, followed by small games in a 3V3, 4V4 or 5V5 format. Players can sign up as individuals or in small groups with their friends and will be placed with other children of similar age and ability for both instruction and games. The exact schedules will be determined depending on the number of children registered and distributed 10-14 days before the first session.
